The State Convention.

As we go to press the Democratic State Convention is in session at Dayton. The attendance is large and the enthusiasm great. The delegates feeling confident that the State is sure for Democracy if no mistakes are made. The platform will be on the side of the people, setting forth that unnecessary taxation is simply robbery. Before starting the press going we have time but to answer that Hon. W. E. Campbell has been selected as the candidate for Governor.

"If Governor FORAKER SHOULD BE A CANDIDATE FOR RE-ELECTION FOR GOVERNOR, OR IF HE SHOULD NAME THE CANDIDATE, WHETHER IT BE HUBBARD OR ANYBODY ELSE, HIS THROAT WOULD BE CUT FROM EAR TO EAR. THIS PAPER HAS NO CANDIDATE, BUT WE KNOW ENOUGH TO KNOW WHAT WE ARE TALKING ABOUT."—Toledo Commercial, Rep.

"THE RULE UPON WHICH THE AMERICAN PEOPLE HAVE FINALLY SETTLED IS THAT TWO TERMS IN SUCCESSION SHALL BE THE LIMIT IN AN EXECUTIVE OFFICE LIKE THAT OF PRESIDENT OR GOVERNOR."—Gen. JOHN BRATT.

"ATTEMPT TO DISGUISE THE FACTS AS MUCH AS WE MAY, IT IS TRUTH THAT IN EVERY SECTION OF THIS STATE AND AMONG ALL CLASSES OF REPUBLICANS THERE ARE GOOD MEN WHO ARE, FROM CONVICTION, OPPOSED TO THE PRINCIPLE OF A THIRD TERM, AND AT THIS TIME MANY OF THESE INSIST, THAT AS THEY NOW SEE IT, THEY CANNOT AND WILL NOT VOTE AGAINST THEIR CONVICTIONS."—Lieut. Gov. LYONS.

"WE BELIEVE IT IMPOSSIBLE AND UNWISE TO PRESENT TO THE INTELLIGENCE OF OHIO THE NAME OF ANY MAN FOR ELECTION TO A THIRD CONSECUTIVE TERM OF THE OFFICE OF GOVERNOR."—Resolution adopted by the Fayette county Republican convention, June 21, 1889.

Justice Field was a Republican when appointed to the Supreme court by Lincoln, but is now a Democrat.

Judge Rufus P. Ranney, of Cleveland, and one of the ablest jurists in Ohio, will vote against all the proposed amendments to the State Constitution.

The Republican nominee for Senator in the Perry-Delaware district, Mr. J. W. Davidson, has withdrawn from the race. "Rate desert a sinking ship."

A county fair can be made interesting to everybody if everybody will take an interest in it. Can't you do something to make an unparalleled success of the next county fair?

The Marion Democratic Mirror issued an industrial edition last week. It was a credit to that office and clearly showed that Marion was a manufacturing city of no mean pretensions.

A real, live ex-rebel heads the Virginia Republican State ticket. In a few weeks it will be announced that Corporal Tanner will be willing to pension ex-rebels who vote the Republican ticket.—Plain Dealer.

Last week Monday's Defiance Crescent was dated the 15th, although most of its dispatches were dated the 19th! Of course it was one of those pesky blunders that will creep in in the best of regulated offices.

Abraham Lincoln was the tallest President in this country, being 6 feet 4 inches.—Benjamin Harrison is the shortest, as his height is only 5 feet 5 inches. The difference between the two men, however, doesn't stop here.

A medical authority says that if every grown person would drink a glass of water before breakfast every morning and every child an amount proportionate to its age, it would do more to preserve health than all the laxatives known.

Frank Hatton makes the startling charge that the civil service law is a farce, inasmuch as copies of the questions to be asked in examinations are furnished in advance to applicants, if the applicants are willing to pay for them.

Republicans now see the folly of calling their convention so early, and if they had the work to do over Foraker would not be the nominee and such a silly platform would not have been adopted. The Republicans are in the soup and likely to remain there.

Under two years of Gov. Hoadley's administration the State debt was reduced \$902,285.81, an average of \$401,122.91 annually. Under three years of Foraker's reduction has been but \$673,663.19, an average of \$224,521.30. Here is a real test of financing as shown by their official records.—Xenia Democrat News.

Bumble-bees broke up the colored camp-meeting at McComb, Henry county. The bumble-bee is little, "but he gets there just the same."—Holmes Co. Farmer.

We believe you, brother, but McComb is not in Henry county, but over in that gassy of all gassy territories—Hancock. Gas no doubt has stimulated the bumble-bee as it has everything else.

The rearing of the high tariff wall to "protect" a country like this, strikes Henry George as a "baby act," and a manifestation of a "mean, petty spirit." Mr. George has been in Europe so long that possibly he may not have heard of the heroic sacrifices of American merchants and manufacturers who contributed large sums in order that the tariff might remain untouched by rude hands of reformers. There was certainly nothing mean, petty nor infantile about the way these solid and steadfast beneficiaries of the tariff put up their hard cash to avert impending danger.

We print an interesting speech delivered at Kalida, Putnam county, by Judge Joshua Seney, of Toledo. His proposition to levy a uniform tariff of 50 per cent. on dutiable articles and admit all others free, is one not heretofore presented, and is therefore entitled to thoughtful consideration.—The address throughout will well repay careful perusal.

The method by which the Republicans are enabled to point to their reduction of the State levy is set forth in an article we copy from the Wayne Co. Democrat. In their desperate attempts to give Foraker credit for economy, they seem willing to create a deficiency which must be made up hereafter.—It would be far more honest and manly to make such levy as is required to pay current expenses and liabilities than to attempt to deceive the people, as the article referred to shows is now being done.

Notice to Tax-Payers.

The following circular issued by Auditor of State Poe and forwarded to every county auditor in Ohio, is of interest to all tax-payers and especially so to owners of real estate: "To county Auditors: It is presumed that all boards of county commissioners, in the State have complied with section No. 2783 of the revised statutes of Ohio, as amended April 21st, 1886, and found on page 88 of the Ohio laws, volume 83, so that the real estate assessors may be elected at the coming November election. If they have not, they will do so on or before the first Monday of April, so that they may be elected on the first Monday of April, 1890.

I hope since that county commissioners have taken such steps under section 2789 as will enable the assessors to make an intelligent reappraisal. This reappraisal coming once in every ten years makes it all the more important that all the provisions of the statute be complied with, to the end that a just, proper and as intelligent a one be made as can be under our existing laws.

This is a very important matter to every tax-payer in the State, and with them, in a great measure, lies the responsibility, for much depends upon the character, honesty and judgment of the assessors to be chosen by the electors. So it is that each and every tax-payer of the State should interest himself, and see that none but the best material comes to the office of the district assessor for 1890.

I would suggest that you call the attention of your county papers to the importance of this very much neglected and yet one of the most important offices in the gift of the people."

SCROFULA

Is that impurity of the blood which produces unsightly lumps or swellings in the neck; which causes running sores on the arms, legs, or feet; which develops ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or "humors," which, fastening upon the lungs, causes consumption and death. It is the most ancient of all diseases, and very few persons are entirely free from it.

How Can It Be CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, has proven itself to be a potent and peculiar medicine for this disease. If you suffer from scrofula, try Hood's Sarsaparilla.

"Every spring my wife and children have been troubled with scrofula, my little boy, three years old, being a terrible sufferer. Last spring he was one mass of sores from head to feet. We all took Hood's Sarsaparilla, and all have been cured of the scrofula. My little boy is entirely free from sores, and all four of my children look bright and healthy." W. B.
